

ENVIRONMENTAL PROTECTION ACT 1994

Section 152

Application notice

Terrequip Miles Bentonite Mine

Resource activity: Mining activity relating to a mining lease

It is advised that Terrequip Miles Pty Ltd has lodged an application for a major amendment to an environmental authority in accordance with the requirements of the *Environmental Protection Act 1994*. The environmental authority being amended is EPML00382513.

The application relates to the inclusion of additional disturbance footprint within the approved mining leases, revision and inclusion of additional water monitoring & discharge points and clarification of rehabilitation objectives at the Gurulmundi Operations approximately 29km north of Miles and the Woleebee Operations approximately 31km southwest of Wandoan.

The resource activity is proposed to occur on the following tenure(s) and will involve:

Mining Lease (ML) 5898, ML5900, ML5901, ML5902, ML5905, ML5906, ML5907, ML5909 and ML50058 covering a total of 2.705km².

The application documents for the project consist of an EA amendment application form, response to information request and supporting information. Application documents may be inspected or accessed at www.terrequip.com under 'corporate governance'.

Copies of, or extracts from, the application documents may also be obtained at the department's website www.des.qld.gov.au under the 'current environmental authority application or amendment documents' or via 'public notices and consultations'.

It is advised that any person may make a submission about the application documents during the submission period, which is from 21/02/2025 to 20/03/2025. **Submission must be received on or before 4.30pm on the last day of the submission period.** Submissions must be sent to:

Department of the Environment, Tourism, Science and Innovation
Minerals Business Centre
PO Box 7230 Cairns QLD 4870
ESCairns@des.qld.gov.au
Attention: Delegate of the administering authority

The Department of the Environment, Tourism, Science and Innovation as administering authority shall accept all properly made submissions and may accept written submissions even if they are not properly made. A properly made submission must meet all of the following requirements:

- be written or made electronically
- state the name and address of each submitter
- be made to the administering authority stated above
- be received on or before the last day of the submission period
- state the grounds of the submission and the facts and circumstances relied on in support of the grounds.

Enquiries about the application can be made directly to:

The applicant via email: admin@terrequip.com
